Engelke and Clementine Uwabera of Stafford Rosenbaum LLP, submit the following answer to Plaintiff’s First Amended Complaint, affirmative defenses, and jury demand as follows:

### **INTRODUCTION**

1. This case involves the tragic death of Anthony Huber, a beloved son and community member, who was shot and killed while committing an act of remarkable heroism.

**RESPONSE:** Deny.

2. On August 25, 2020, in Kenosha, Wisconsin, Huber was participating in protests against police violence which were sparked by the police shooting of Jacob Blake two days earlier. Mr. Blake was a Black man who had been shot in the back seven times by an officer in the Kenosha Police Department, and Huber was among many who peacefully protested the shooting and Kenosha’s pattern of racist and violent behavior by police officers and other officials.

**RESPONSE:** As to the first sentence of this paragraph, deny sufficient information to form a belief as to the truth of the allegations, and accordingly, deny same; as to second sentence, deny.

3. During the protests, private citizens took up arms and patrolled the streets of Kenosha, acting as law enforcement agents. Many of them had posted racist messages and threatened violence on social media before descending upon Kenosha. They made their plans known to law enforcement officials.

**RESPONSE:** As to the first sentence of this paragraph, deny; as to the second sentence, deny sufficient information to form a belief as to the truth of the allegations, and accordingly, deny same; as to third sentence, deny.

4. These armed individuals were not Kenosha business owners whose property had been damaged, nor were they hired by any of those businesses to come protect their property.

**RESPONSE:** Deny sufficient information to form a belief as to the truth of the allegations, and accordingly, deny same.

5. One of these armed individuals was Defendant Kyle Rittenhouse, who was then 17 years old. He crossed into Wisconsin from Illinois, carrying an assault rifle on the streets of Kenosha, in open violation of the law.

**RESPONSE:** As to the first sentence of this paragraph, admit that Rittenhouse was present and armed and 17 years old; deny sufficient information to form a belief as to the truth of all other allegations, and accordingly, deny same; deny that these answering defendants knew his age on the night in question.

6. Astonishingly, the Kenosha Police Department, Kenosha County Sheriff's Department, their supervising officials and police officers, and law enforcement officers from surrounding communities did not treat Defendant Rittenhouse or any of the other

armed individuals patrolling the streets as a threat to the safety of themselves or the citizens they were sworn to protect.

**RESPONSE:** Deny.

7. Instead, the law enforcement Defendants deputized these armed individuals, conspired with them, and ratified their actions by letting them patrol the streets, armed with deadly weapons, to mete out justice as they saw fit. In addition, the law enforcement Defendants thanked Defendant Rittenhouse and other armed individuals, gave them water, and allowed them to openly defy the emergency curfew order that was in place. The law enforcement Defendants even made plans to funnel the protestors toward the armed individuals “deal with them.”

**RESPONSE:** Deny.

8. As a result, Defendant Rittenhouse fired his assault rifle indiscriminately multiple times at citizens on the street. He shot and killed two men, seriously injured a third, and narrowly missed a fourth. At the time Defendant Rittenhouse encountered Anthony Huber, Defendant Rittenhouse had already killed one man.

**RESPONSE:** As to the first sentence of this paragraph, deny; as to the second and third sentences, deny that Rittenhouse’s actions were the result of any actions or inactions by these answering defendants, otherwise admit the allegations.

9. Anthony Huber is a hero. He attempted to disarm Defendant Rittenhouse, end the gunfire, stop the bloodshed, and protect his fellow citizens. Tragically, Anthony died when Defendant Rittenhouse shot him in the chest as Anthony tried to pull the assault rifle from Defendant Rittenhouse’s hands.

**RESPONSE:** Deny.

10. The conduct of the Defendants in this case directly caused Anthony Huber's death. Anthony's father, John Huber, and his mother, Karen Bloom, now seek justice for the death of their son.

**RESPONSE:** Deny.

### **NATURE OF THE ACTION**

They did not arrest him, detain him, or question him even after he had killed two people.

**RESPONSE:** State that these answering defendants did not arrest Mr. Rittenhouse or disarm him that night; as to all other allegations, the allegations contain implications and assumptions which prevent these answering defendants from providing a further response, and, accordingly, the allegations are denied.

78. Instead, the Law Enforcement Defendants deputized Defendant Rittenhouse and other armed individuals, conspired with them, and ratified their actions by allowing them to patrol the streets armed illegally with deadly weapons and shoot and kill innocent citizens.

**RESPONSE:** Deny.

79. Among other things, the Law Enforcement Defendants directed their curfew order only at people protesting the Law Enforcement Defendants' own police violence, and not at Defendant Rittenhouse and others, who were supporters of law enforcement.

**RESPONSE:** Deny.

80. Defendant Rittenhouse and others were subject to a different set of rules and were allowed to move about freely in areas controlled by the Law Enforcement Defendants.

**RESPONSE:** Deny.

81. For example, at 9:57 p.m., a Kenosha Police Sergeant sent a message to all officers through the Department's internal messaging system noting the presence of armed individuals patrolling the streets in violation of the curfew order.

**RESPONSE:** Deny.

82. The Additionally Responding Officers were also fully aware of the presence of armed individuals patrolling the streets in violation of the curfew order, based on their observation of their presence "throughout the night" and their participation in a coordinated tactical command.

**RESPONSE:** State that the allegations are broad and vague; accordingly, these answering defendants are not provided a reasonable opportunity to understand what they are asked to admit and accordingly, the allegations are denied.

83. Rather than take any steps to detain, dissuade, or disarm these armed individuals, a KPD Sergeant made clear that the pro-police armed individuals were not to

be detained, dissuaded, or disarmed, calling the armed individuals in blatant violation of the curfew order “very friendly.”

**RESPONSE:** Deny.

84. Likewise, at 11:26 p.m., callers reported that some of the pro-police armed individuals had “slashed tires” in a nearby area. But the Defendants did nothing in response to this conduct, let alone arrest the perpetrators.

**RESPONSE:** Deny sufficient information to form a belief as to the truth of the allegations and, accordingly, deny same.

85. To the contrary, one of the Additionally Responding Officers, on a text thread with others titled “Tactical Enforcement Unit Command Only” wrote, “Gotta love counter protestors. Slashing tires.”

**RESPONSE:** State that this paragraph lacks context with which the alleged statement was made; accordingly, the allegations are broad and vague, and these answering defendants are not provided a reasonable opportunity to understand what they are asked to admit and accordingly, the allegations are denied.

86. Instead, at approximately 11:30 p.m., about fifteen minutes before Defendant Rittenhouse shot Rosenbaum, Huber and Grosskreutz, several Law Enforcement Defendants were talking to Defendant Rittenhouse and the other armed individuals who had congregated in the parking lot of a private business.

**RESPONSE:** Deny sufficient information to form a belief as to the truth of the allegations, and accordingly, deny same.

87. Despite the fact that the armed individuals were in violation of the curfew order, the officers and deputies communicated their full support and appreciation for Defendant Rittenhouse and others.

**RESPONSE:** Deny.

88. In video footage taken at the scene, officers can even be heard asking armed individuals if they needed water. Defendant Rittenhouse can be seen telling the officers that they did need water, which officers gave them.

**RESPONSE:** Admit only that some officers from unidentified jurisdictions, gave water to some individuals; deny sufficient information to form a belief as to whether these answering defendants were involved in that activity and, accordingly, deny any allegation that they were.

89. Defendant Rittenhouse walked right up to the police vehicles. Despite his obviously tender age, he was not asked for identification to demonstrate that he could lawfully possess an assault rifle.

**RESPONSE:** As to the first sentence of this paragraph, state that the allegations are broad and vague; accordingly, these answering defendants are not provided a reasonable opportunity to understand what they are asked to admit and accordingly, the allegations are denied; as to the second sentence, deny.

90. Officers working for the Law Enforcement Defendants not only provided armed individuals with water, but they voiced their support and appreciation for the actions of Defendant Rittenhouse and others, saying: “We appreciate you guys, we really do.”

**RESPONSE:** Deny.

91. Needless to say, the Law Enforcement Defendants did not offer assistance or appreciation to any protestors. At the same time the officers were handing out assistance and praise to the armed individuals, including Defendant Rittenhouse, they can be heard over loudspeakers in their armored vehicles ordering the protestors to disperse: “This is the last warning. You will disperse.” And: “This area is closed you are trespassing, leave now.”

**RESPONSE:** As to the first sentence of this paragraph, deny; as to the remaining allegations of the paragraph, state that the allegations are broad and vague; accordingly, these answering defendants are not provided a reasonable opportunity to understand what they are asked to admit and accordingly, the allegations are denied; admit only that the announcement quoted was made during the unrest in Kenosha; deny any allegation that it was directed only to protestors.

92. No such warnings or threats were made to the armed individuals.

**RESPONSE:** Deny.

93. The Law Enforcement Defendants deliberately orchestrated these circumstances. A clear message was sent that perceived protestors were required to disperse, while armed individuals who supported law enforcement could roam free and assist the officers. These events directly led to Anthony Huber’s death.

**RESPONSE:** Deny.

94. Before the fatal shootings, one of the armed individuals was interviewed. He said the following: “You know what the cops told us today? They were like, ‘We’re gonna push ‘em down by you, ‘cause you can deal with them, and then we’re gonna leave.’”

**RESPONSE:** Deny sufficient information to form a belief as to the truth of the allegations, and accordingly, deny same.

95. And that is exactly what happened. The Law Enforcement Defendants ordered the protestors to move south, funneling them into a confined area, where they were met by the violence perpetrated by Defendant Rittenhouse and the other armed individuals.

**RESPONSE:** Deny.

96. Internal communications and reports from members of the Law Enforcement Defendants reveal that they knew the pro-police armed individuals had gathered around 60th and Sheridan, yet they deliberately funneled protestors out of the park near 56th and Sheridan and forced them South right into the militia group they knew to be pro-police, in violation of the curfew order, slashing tires, and armed with long guns.

**RESPONSE:** Deny.

97. At all times, the Law Enforcement Defendants, Defendant Rittenhouse, and others knew and understood what it meant when they told heavily armed private citizens to “deal with” the protestors. In this manner, the Law Enforcement Defendants, Defendant Rittenhouse, and others arrived at a plan to collectively use force and state authority against the protestors.

**RESPONSE:** Deny.

98. For example, Defendant Rittenhouse’s own lawyers stated that the police “maneuvered a mass of individuals down the street towards the auto shops” where the armed individuals had gathered.

**RESPONSE:** Deny sufficient information to form a belief as to the truth of the allegations, and accordingly, deny same; deny the statement, if made, is true.

99. As a result, the Law Enforcement Defendants invited, deputized, authorized, conspired with, and ratified the actions of Defendant Rittenhouse, a boy illegally in possession of an assault rifle, who roamed the street in violation of an emergency curfew order, shooting innocent civilians, killing two, seriously injuring a third, and narrowly missing a fourth.

**RESPONSE:** Deny.

100. To make matters worse, when Huber and Grosskreutz were shot, the Law Enforcement Defendants were at the scene. Protestors yelled to the officers that Defendant Rittenhouse had just shot people. Remarkably, the officers did nothing to stop Defendant Rittenhouse, let alone question him, or arrest him. Instead, officers spoke to Defendant Rittenhouse and then let him walk away.

**RESPONSE:** As to the first sentence, deny; as to the second, third and fourth sentences, deny sufficient information to form a belief as to the truth of the allegations, and accordingly, deny same.

101. The only reason the Law Enforcement Defendants allowed Defendant Rittenhouse to walk away after shooting three people was because he was white and because he was affiliated with the armed individuals, who had the Law Enforcement Defendants' explicit support.

**RESPONSE:** Deny.

102. By inviting, deputizing, conspiring with, and ratifying the actions of armed individuals, who were empowered to patrol the streets of Kenosha, the Law Enforcement Defendants created an extremely and obviously dangerous and deadly environment, which led directly and foreseeably to the shootings of Anthony Huber and others.

**RESPONSE:** Deny.

103. The Law Enforcement Defendants' open support of and coordination with the armed individuals in the minutes and hours before the shootings deprived Anthony Huber and the other protestors of the basic protections typically provided by police. It was a license for the armed individuals to wreak havoc and inflict injury.

**RESPONSE:** Deny.

104. Defendant Rittenhouse's own lawyers have blamed the shootings on the Law Enforcement Defendants, highlighting their "abject failure to ensure basic law and order to citizens."

**RESPONSE:** Deny sufficient information to form a belief as to the truth of the allegations, and accordingly, deny same; deny that the statements, if made, are true.

105. The Law Enforcement Defendants have continued their disparate treatment of Black people, even after the deaths of Huber and Rosenbaum. For example, Defendant Miskinis has refused to publicly condemn the crimes of Defendant Rittenhouse or the other armed individuals, and instead has ratified that misconduct. Indeed, he has defended the armed individuals as citizens exercising their constitutional rights. The protestors received the opposite treatment from Defendant Miskinis.

**RESPONSE:** Deny.

106. Moreover, in his first press conference after the shooting, Defendant Miskinis refused to make any statements condemning or even dissuading the armed individuals, even when he was specifically asked if he wanted armed vigilante groups to be present again the next night of protests.

**RESPONSE:** Deny.

### **Racial Discrimination and Viewpoint Discrimination**

107. If Defendant Kyle Rittenhouse were Black, the Law Enforcement Defendants would have acted much differently.

**RESPONSE:** Deny.

108. If a Black person had approached police with an assault rifle, offering to patrol the streets with the police, he most likely would have been shot dead.

**RESPONSE:** Deny.

109. If a Black man had shot three citizens with an assault rifle and was seen walking away from the scene of the shooting with the assault rifle in hand, while other citizens yelled he was an active shooter, he would have been shot dead.

**RESPONSE:** Deny.

110. In none of these circumstances would the Law Enforcement Defendants have permitted the individual to roam the streets, illegally and heavily armed, shoot civilians, and then walk past a dozen officers, talk to them, and simply go home.

**RESPONSE:** Deny.

111. One need not look any further than the very event that gave rise to the protest at which Anthony Huber was killed: although Jacob Blake was not at the site of a shooting,

possessed no gun, brandished no weapon, had not shot or hurt anyone, and was climbing into his own car with two children, Blake was shot in the back seven times by officers employed by Defendant KPD.

**RESPONSE:** Deny.

112. By contrast, Defendant Rittenhouse was walking away from the scene of a double homicide with an assault rifle in his arms, and he was permitted to simply walk away.

**RESPONSE:** Deny.

113. Jacob Blake is Black. Defendant Kyle Rittenhouse is White.

**RESPONSE:** Admit.

114. Moreover, the demonstrators were a diverse group of citizens protesting police violence against Black people, which included many Black-Americans and other people of color. They were protesting, in part, the racial discrimination of Defendants KPD and KCSD, and their officers, as exemplified by the shooting of Jacob Blake.

**RESPONSE:** Deny sufficient information to form a belief as to the truth of the allegations, and accordingly, deny same.

115. The armed individuals were all White.

**RESPONSE:** Deny.

116. Similarly, the protestors were advocating a viewpoint critical of the police, including Defendants KPD and KCSD. The armed individuals espoused a viewpoint that was avowedly pro-police.

**RESPONSE:** State that the allegations are broad and vague. Accordingly, these answering defendants are not provided a reasonable opportunity to understand what they are asked to admit and accordingly, the allegations are denied.

117. The difference in treatment of the two groups was stark. The White, pro-police armed individuals were allowed by the Law Enforcement Defendants to patrol the streets with weapons of war, participating in the police action, and threatening and inflicting violence on innocence civilians; while the diverse group of protestors criticizing police actions were ordered to disperse because they were violating the curfew order. No such orders were given to the pro-police individuals, who were in violation of the curfew as well, and known to be slashing tires.

**RESPONSE:** Deny.

118. The reaction of some of the Law Enforcement Defendants to the shooting of three individuals by one of the pro-police armed individuals was openly callous. One of them texted on the night of August 25, shortly after Huber and the others had been shot by Defendant Rittenhouse, “Listening to gun fire. Such a nice night.” He then linked a livestream of the shooting on Twitter, and texted, “Nice Video.”

**RESPONSE:** State that this paragraph lacks context with which the alleged statement was made; accordingly, the allegations are broad and vague, and these answering defendants are not provided a reasonable opportunity to understand what they are asked to admit and accordingly, the allegations are denied.

119. The protestors were also treated differently than the armed individuals in terms of who was subject to arrest. In the days after the protests began, more than 150

protestors were arrested for allegedly violating the curfew order. Not even a single one of the armed individuals was arrested by the Law Enforcement Defendants for violating the same curfew order.

**RESPONSE:** As to the first and second sentences of this paragraph, deny; as to the third sentence, deny sufficient information to form a belief as to the truth of the allegations, and accordingly, deny same.

120. Many of the armed individuals with whom the Law Enforcement Defendant departments had allied themselves were avowed racists.

**RESPONSE:** Deny.

121. Among the armed individuals present at the protest was Ryan Balch, a member of the Boogaloo Bois who could be seen patrolling the streets with Defendant Rittenhouse. The Boogaloo Bois are a right-wing militia group whose adherents include neo-Nazis and white supremacists. According to Balch, as many as 32 members of the Boogaloo Bois were in Kenosha patrolling the streets.

**RESPONSE:** Deny sufficient information to form a belief as to the truth of the allegations, and accordingly, deny same.

122. In the months after he killed Anthony Huber, Defendant Rittenhouse was seen in a bar in his hometown flashing an “OK” sign, a symbol of white supremacy/white power.

**RESPONSE:** Deny sufficient information to form a belief as to the truth of the allegations, and accordingly, deny same.

***Systematic Racial Discrimination in the Kenosha Police Department and Kenosha Sheriff's Department***

123. Defendant KPD's support of, and coordination with, the armed individuals was a product of its systemic, racially discriminatory policies and practices.

**RESPONSE:** Deny.

124. The KPD has just eight Black police officers, out of a force of more than 200 officers. It has never had a Black person in top leadership positions, including police chief, assistant chief, or police inspector.

**RESPONSE:** As to the first sentence of this paragraph, the allegations are correct as of August 25, 2020; as to the second sentence, state that the allegations are broad and vague; accordingly, these answering defendants are not provided a reasonable opportunity to understand what they are asked to admit and accordingly, the allegations are denied.

125. Christopher Carter, a former Black police officer in the KPD who retired in 2011, has said he was consistently subject to racist aggression, including being called a "n\*\*\*\*\*," was discriminated against during his time at the KPD, and witnessed racist policing practices toward civilians.

**RESPONSE:** Deny sufficient information to form a belief as to the truth of the allegations, and accordingly, deny same.

126. In a recent article in the Washington Post, six current and former officers "described a department at odds with people of color, both inside and outside its ranks, with some officers routinely using racist language and excessive force." One of the former

officers stated, “You have officers there who openly admit to pulling someone over because they’re Black and driving a nice car. And these are officers who train new officers.”

**RESPONSE:** Deny sufficient information to form a belief as to the truth of the allegations, and accordingly, deny same; state that article in the Washington Post speaks for itself; deny that racist conduct or behavior is condoned or encouraged by the Kenosha Police Department.

127. Just eleven days before Jacob Blake was shot, a woman was arrested for filming police officers engaging in threats and physical abuse during the arrest of a Black man. Her video footage captured a KPD officer punching a man in the ribs twice after he had already been handcuffed. When she was ordered to disperse, she responded, “we’re not moving until we know he’s safe!” An officer responded, “Do you want to get shot?”

**RESPONSE:** As to the first and second sentences, deny; as to the remaining sentences, state that the allegations misstate the facts and context of the encounter and are denied; deny any allegation or implication that these answering defendants threatened her with a firearm.

128. For his part, Defendant Beth has his own history of racially discrimination conduct as the Kenosha County Sheriff. In 2018, two Black woman and three Black men were apprehended after a shoplifting incident and a high-speed chase. The youngest individual arrested was 16 years old. In comments after the arrest, Defendant Beth stated that it was time to “stop being politically correct,” and that “these people have to be warehoused.”

**RESPONSE:** Deny sufficient information to form a belief as to the truth of the allegations, and accordingly, deny same.

149. In the manner described in this Complaint, Defendants denied Huber equal protection of the law in violation of the Fourteenth Amendment of the United States Constitution.

**RESPONSE:** Deny.

150. Defendants' conduct was motivated by racial animus and constituted purposeful discrimination, and it also affected Huber and the racially diverse group of protestors in a grossly disproportionate manner as compared to similarly situated White individuals.

**RESPONSE:** Deny.

151. Specifically, working in concert with these others, Defendants targeted individuals of color and individuals allied with them in protest against racial discrimination, including Huber, by creating a dangerous environment in which injury to Huber and others was highly likely. They did this by permitting the all-white armed individuals—many of whom had openly espoused racist and violent intentions—to taunt, threaten and monitor the diverse group of protestors, by permitting the all-White armed individuals to patrol the streets like deputized police officers, by offering the all-White armed individuals assistance and praise while simultaneously ordering protestors to disperse, and by ultimately corralling the protestors and funneling them toward the all-white armed individuals to “deal with them.” Moreover, in the week or so after the protests began, more than 150 members of the racially diverse group of protestors were arrested for violating the KPD and KCSD’s curfew order. **RESPONSE:** Deny.

158. Huber and the other protestors participated in rallies and demonstrations in downtown Kenosha advocating a viewpoint critical of the police, including Defendants KPD and KCSD, similar to the national and worldwide protests against police violence that began in the summer of 2020. Such conduct is protected by the First Amendment of the United States Constitution.

**RESPONSE:** As to the first sentence of this paragraph, state that the allegations are broad and vague; accordingly, these answering defendants are not provided a reasonable opportunity to understand what they are asked to admit and accordingly, the allegations are denied; as to the second sentence, admit only that peaceful protest is protected by the First Amendment of the United States Constitution; deny any other allegations.

159. The armed individuals espoused a viewpoint that was avowedly “pro-police.”

**RESPONSE:** Deny sufficient information to form a belief as to the truth of the allegations, and accordingly, deny same.

160. Defendants subject Huber and other peaceful protestors to discrimination and retaliation because of their viewpoints critical of police. They did this by permitting “pro-police” armed individuals to taunt, threaten and monitor the diverse group of protestors without consequence, by permitting the “pro-police” armed individuals to patrol the streets like deputized police officers, by offering the “pro-police” armed individuals assistance and praise while simultaneously ordering protestors to disperse, and by ultimately corralling the protestors and funneling them toward the “pro-police” armed individuals to “deal with them.” Moreover, in the week or so after the protests began, more than 150 members of the protestors voicing criticism of racist and violent police conduct were arrested for violating KPD and KCSD’s curfew order. Not a single one of the “pro-police” armed individuals was arrested for violating the same curfew order.

**RESPONSE:** Deny.

161. The protected speech of Huber and the other protestors, and the viewpoint critical of police that they expressed, was a motivating factor in Defendants’ disparate, discriminatory, and retaliatory treatment of the protestors.

**RESPONSE:** Deny.

162. The Defendants’ retaliatory actions in response to Huber and the other protestors’ protected speech have had a chilling effect that acts as a deterrent to free speech.

**RESPONSE:** Deny.
